Student Feedback Analysis Report-LL.B. (3 Years)

Student feedback was collected on a 5-point Likert Scale based on the following points on teaching Learning.

Q1: Holistic development of students is ensured by participation of students in various sports, cultural & co-curricular activities organized throughout the year?

Q2: The academic flexibility embedded in the curriculum provides opportunities to students to pursue their interest by choosing from a vast number of electives

Q3: The curriculum has been designed to make students industry ready?

Q4: The curriculum is outcome based and the expected outcomes, through various courses, are attained

Q5: Courses in the curriculum promote entrepreneurship and students are encouraged and supported to initiate start-ups by incubation centre

Q6: Curriculum helps in enhancing intellectual aptitude of the students

- Feedback is taken from the Students Annually and analysed as well.
- Feedback is analysed and the happiness index/quotient is calculated based on the satisfaction ratio.
- Satisfaction ratio is calculated to understand students' feedback.
- The ratio indicates the number of students who were satisfied for each unsatisfied student.
- Meaning that the higher the ratio the better is the Happiness Quotient of students.
- Measures to improve the happiness index are taken.
